

Everglades Fair Shoots At Record Attendance Mark

Exhibits Declared Largest And Best Ever Seen In This District

Jammed to near capacity with children from every section of the Everglades, the Everglades Fair Open House night at Belle Glade Wednesday night was one of the best attendance record as perfect weather was in the offing for the remainder of the week.

While no figures were available on exact attendance during Wednesday afternoon, closing Wednesday afternoon, closing Wednesday it was estimated that the crowd war the largest in the history of the fair. Every school in the Glades took class at the lunch hour, and parents took full benefit of the half and third fares offered to the side shows and midway attraction on that day.

Fredrick W. Powers was high in his bid for the national title of the "Big Boy" of the age of the 16's so far and expressed the hopes that the attendance record for the event could be established for the close of the show.

Scores of new exhibits lined the exhibition halls of the event this time. Travel through these exhibition buildings was slow, but interested parties never-the-less took their time in filing through and

Vegetables placed on exhibit by growers and shippers were described as the freshest, largest and nicest ever offered before in the Everglades.

Helping to boost attendance at this year's event is the motorcade of more than 100 cars and five airplanes which will visit the fair Friday. Coming from West Palm Beach, the procession will include

Chamber of Commerce officials, who have been keeping a check on the number of cars crossing the Hillsborough canal into the city reported that well in excess of 2,000

ported that well in excess of 3,000 have crossed each day. This figure, they estimated, would have continued about 10 per cent foreign carp.

In Plane Crash

Lawrence Hughes, Pahokee aviation enthusiastic and crop dusting expert, missed possible serious physical injury Wednesday afternoon when his plane ground-looped and skidded on the runway at Lake Wales.

Only minor damage was done to the plane when it hit high weeds at the edge of the field before the ship had left the ground. Hughes crawled out of the wreckage without a visible scratch, and went about his days work while the plane was being repaired.

He stated yesterday that he would again be ready to conduct
